

Weatherization Director

Extraordinary opportunity awaits on the Last Frontier! The Rural Alaska Community Action Program (RurAL CAP) is seeking a seasoned professional with management background, BPI credentials, and cold climate experience to lead its growing Weatherization Program. Based in Anchorage, the Weatherization Director oversees the day-to-day operation of a \$15M program serving Anchorage, Juneau and several remote rural communities.

RurAL CAP's weatherization program is funded with a combination of state and federal grants, and performs an expanded array of energy conservation and health/safety measures. Enjoy world-class outdoor recreation opportunities while reaping the personal and professional satisfaction of helping to improve homes and lives in some of the world's most challenging environments.

RurAL CAP offers a generous benefit package which includes four weeks personal leave, medical and dental coverage, retirement program, and more. Salary range \$70,000 and up + DOE.

Application and complete job description available at www.ruralcap.com or 731 E 8th AVE, Anchorage. To be considered for interview, interested applicants must submit a completed RurAL CAP application form, resume & Business writing sample. Position Open Until Filled. EOE
