

To whom in may concern,

I would like to thank the Weatherization team for the hard work and outstanding job they have done to our house. We appreciate them for putting in their time and effort and giving so freely of themselves. They worked throughout all the different weather conditions and did not complain. They were very respectful and courteous. This is a very nice program and without it we could not have afforded it. We would especially like to thank Rick and his crew for the fantastic job. Rick and his crew were so awesome, they went above and beyond to get things done, and we are truly grateful.

Sincerely,
